## HISTORY OF HAMILTON HIGH SCHOOL

Hamilton's first high school was the home; her only teachers were the parents themselves. Later the town ministry (with mercy for parents in their hearts) assumed the task of educating their child population - each church served as a school for those in its own parish. Eventually the parsons faded away, and a one-room school house with a genuine teacher appeared on the education scene. Every day the students were herded into the barge (archaic; school bus) and hauled away to school. Times have changed since then.

Our lab buffalo and the present Alexander Hamilton High School are becoming extinct (or at least moth-eaten), and a new Hamilton-Wenham Regional High School is coming into its own.

## HAMILTON A B C'S

- A is for Mr. Ayer, who ne'er will falter  
In proclaiming in loud tone that 'twas he who wrote "Walter".
- B is for Bimbo, a real sweet old feller,  
When he isn't yelling at us, he's sleeping in the cellar.
- C is for Clarence, who's won great renown;  
The uncrowned monarch of this forsaken town.
- D is for D'arcy, the boys who run the agency;  
We must be grateful to them, and thank God there aren't three!
- E is for eavesdropping; for the Sophomores, there are no grander;  
Someday we'll get together and sue them for slander.
- F is for Mrs. Ferrini, our hallowed mentor,  
Even after we graduate, we'll never forget her.
- G is for Govoni's, a place so quaint and nice,  
Do we buy atmosphere and vegetables for the retail price?
- H is for Hamilton, need we say more?
- I is for Ipswich, our neighbor to the North  
To which our youthful society nightly sallies forth.
- J is for Junior Prom, where, with no matter how much whim,  
You still can't make a ballroom out of a smelly old school gym.
- K is for us kids, on us they're pretty hard,  
They call us brats, and all that, but we're only avant-garde.
- L is for the lock on the library door,  
To keep it from closing is Madame Claflen's chore.
- M is for Manasseh Cutler, and it's been many a year  
That he packed his bag and had the sense to get away from here.
- N is for Mrs. Nickerson, the gal who takes the chore  
To grab and punish any kids who violate her corridor.

O is for Mr. Orlandi, who, between the jokes he shares,  
finds time to impart those brains of his that are crowding out his hairs.

P is for pumpkin, around here there's a custom;  
We steal them from the door steps, and in the streets we bust 'em.

Q is for quiet, we disregard it out of spite;  
We're only quiet when we're supposed to recite.

R is for Mr. Reedy, a seeker of truth;  
He'll always be enshrined by his homeroom youth.

S is for the slop shop, where anyone may see  
The flower and pick, the cream and top, of our cafe-society.

T is for tank, which stands in our park;  
It's known to change color at night when 'tis dark.

U is for Unicorn, its horn woe repairs;  
We certainly could use one after our exam scares.

V is for village, that's what they used to call  
Our poor little town, before suburban sprawl.

W is for Mr. Wallace, who is seen in full glory,  
Scouting the halls in a leaky pescadore.

X stands for something apart and aside,  
Like those students from Wenham who with us abide.

Y is for Chebbacco Lake - this doesn't look well,  
The spelling is off, but who goes there to spell?

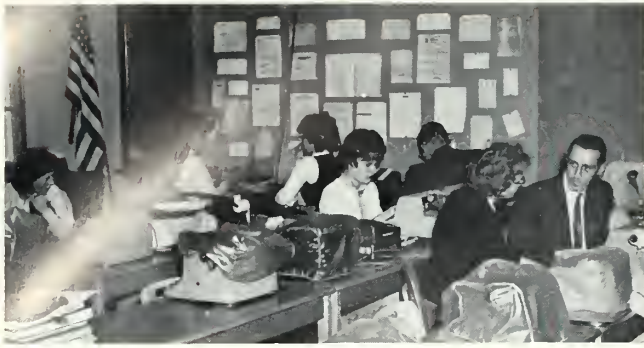

Z is for zebra, a smelly old beast  
With stripes on his back, but they're not yellow at least.

# Dedication

In each of her classes, Mrs. Ferrini taught more than the subject matter alone. She contributed a genuine concern for her students, an enthusiasm for her subject and for knowledge in general. We may forget our Latin verbs, but we will never lose the respect for knowledge, for learning, and for creating that she gave to us.

# FACULTY

To the Members of the Class of 1962:

Each day passes more and more rapidly as you complete the teens. Have you asked yourself the question, have I made the most of my high school opportunity? You will soon leave Hamilton High School, and it is my hope that you will look back on your school days as happy and successful ones.

Much of the past has depended upon you, your parents and your teachers, and the friends you have made. The future will be much the same except that you will have to depend more on the self-discipline and self-reliance you have yourself acquired. It is my sincere wish that there are now firmly established within you those right habits that will enable you to rise to greater successes in your future education and work than your most fanciful dream has ever brought to your imagination.

Hammond A. Young  
Superintendent

To the Class of 1962:

Your spirit and loyalty have endeared you to all of us at H. H. S. You carry the title of our last graduating class with honor. May I leave with you the following words of Friederich Nietzsche (1844-1900) as a help in guiding you on your way:

"In the mountains of truth, you never climb in vain. Either you already reach a higher point today, or you exercise your strength in order to be able to climb higher tomorrow. "

P. N. Coffin  
Regional Principal

With graduation this coming June, Hamilton High School will cease to function as a senior high school; and to the class of 1962 befittingly falls the honor of closing out this outstanding chapter in the institution's service to the youth of the community. I will always maintain a feeling of warm gratitude toward this group not only for the fine associations established and maintained on the athletic field and in the classroom but also for the fine display of leadership they have exhibited which has made my first venture into administration a more rewarding experience.

Richard Snow  
Principal

To the Class of 1962:

Special good wishes go to your class from the Guidance Office as you were freshmen the year that I returned to Hamilton High School after a twelve-year absence, and we started things off together as good friends. Many of you have given me not only friendship but hours of clerical help and other types of assistance in my attempt to build an effective department. For all of this, I am grateful. And for your many diverse achievements, my respect and congratulations.

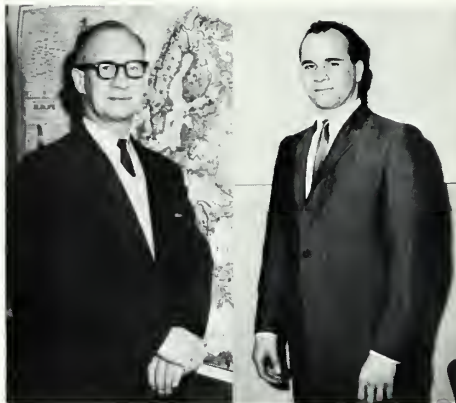

As a bit of parting philosophy, I would like to direct your thoughts to the important matter of effective social relationships, with which you will all be concerned through life. To paraphrase the great Goethe, who was musing on this subject, "If you treat a man as he is, he will stay as he is, but if you treat him as he ought to be and could be, he will become the bigger and better man."

# Prophecy

It is the year 1972 and Bonny Little's house is overflowing with members of the Class of '62. Bonny, Judy Gilbride, Diane Leach, Doug Surpitski and Richard Toomey are sitting on the new wrought-iron bannister that was installed especially for the party. It is interesting to note how successful, and in some cases unsuccessful, the members of this illustrious class have been.

BONNY LITTLE, professionally known as Little Egypt, is now peacefully co-existing at Plum Island as a beachcomber, having been banned from Boston.

DOUG SURPITSKI operates an underground subway to Ipswich.

RICHARD TOOMEY has decided to build his own restaurant so that he and Jackson can eat a complete meal without being asked to leave.

JUDY GILBRIDE has just won the world's featherweight boxing title from Skip Mansfield.

ELAINE AGGANIS has published a sequel to the Odyssey entitled Dribbling with Homer.

DR. HARVEY OLNEY, a famous psychoanalyst, treats patients on bicycles instead of couches.

LINDA STONE is the President of the World Affairs Council in addition to her position as head of the Y. G. E. Club.

GORDON WEBB maintains a complete line of 1923 wrecks.

JILL COLWELL stars on "Playboy's Penthouse" as the Bunny Girl.

DAVE HURSTY is Hamilton's goodwill ambassador to Wenham.

PAT HARRIGAN is taking P. G. courses at the Hamilton-Wenham Regional in hopes that Huey will someday graduate.

BILL SHIMER, having been elected to the Senate, recently made headlines as being the greatest filibusterer of all times.

JOAN CARAGANIS, now a famous actress, is appearing in Tennessee Williams' new play, "The Night of the Turtlenecks."

GORDON LAMSON, the nonconformist, manages a line of multi-colored schoolbuses.

Unfortunately there are several members of the class of '62 who are unable to attend the party.

SANDY GRAHAM, fondly known as "Whispers" by her colleagues at the Metrecal Factory, was seen drifting west on a strong tailwind.

JOAN PELKEY was shipped to England after losing her citizenship for using a cockney accent.

JOHN BANNAN hijacked Cuba in his merchant marine vessel and is now after Hawaii.

PHYLLIS SCHINDEL was swallowed by a whale while doing research in marine biology.

DONNIE MCGINLEY and PHIL MACGREGOR are serving ten-year sentences for smuggling pumpkins through the Ipswich Police Station.

No one knows the whereabouts of BEVERLY GILL who was shoplifted from Marshall's two years ago.

OOPS!!!!!! The Beverly girls just arrived and everybody's leaving, including ME!!!! See you in '82.

UNDER  
CLASSMEN

# Juniors

This year's juniors, active on every front, have taken prominent places in all of our clubs, sports, and scholastic achievements.

The class officers are: President, Gail Child; Vice-President, Margaret Kerr; Secretary, Cynthia Ellison; Treasurer, Marcia Lundgren; and Student Council Representatives, Dorcas Brannum, Jane Rowell, Richard Wetherbee, and George Cann. The scholastic leaders are J. Rowell, C. Thomas, and D. Ketcham, with C. Thomas participating on the math team.

On the sports front, John Endicott played varsity football, Robert Brindle and Richard Wetherbee have supported the Cross-Country team, John Endicott, Richard Wetherbee, and Daniel Ketcham are on the basketball team, and Carolyn Thomas is the captain of the girls' hockey team. The Junior girls on the girls' basketball team are: Harryatt Mueller, Gail Child, Gail Leavitt, Marie Walsh, Carolyn Thomas, Dorcas Brannum, Jane Rowlands, and Sally Nystedt.

D. Brannum, C. Chetty, H. Mueller, G. Child, D. Smerage, J. Rowlands, M. Lundgren, and J. Rowell are on the cheerleading squads.

# Sophomores

To date, the sophomore class has succeeded in giving the whole senior class a large inferiority complex. Seniors are unable to say they are more intelligent than the sophomores, for this class, represented by Gloria Barnes, Barbara Hall, Kenneth Hatfield, John Nickerson and Deborah Noone, as well as many substitutes who are sophomores, have formed the back bone of the Math Team. Seniors are unable to boast that they are more athletic than the sophomores, for three of the five best cross-country runners, David Crowell, Richard Geikie, and Robert Brindle, are sophomores. A total of seven sophomores are members of the starting varsity of the football team. While freshmen, this class sponsored a Freshmen Dance, and its future plans include a Bermuda Hop.

The leaders of this phenomenal Sophomore class are its President, Paul Johnson; its Vice-President, Michael Pond; its Secretary, Maureen Corning, and its Treasurer, Deborah Noone.

David Crowell, Susan Axtell, and Kenneth Hatfield represent the Sophomore class in Student Council.

# Freshmen

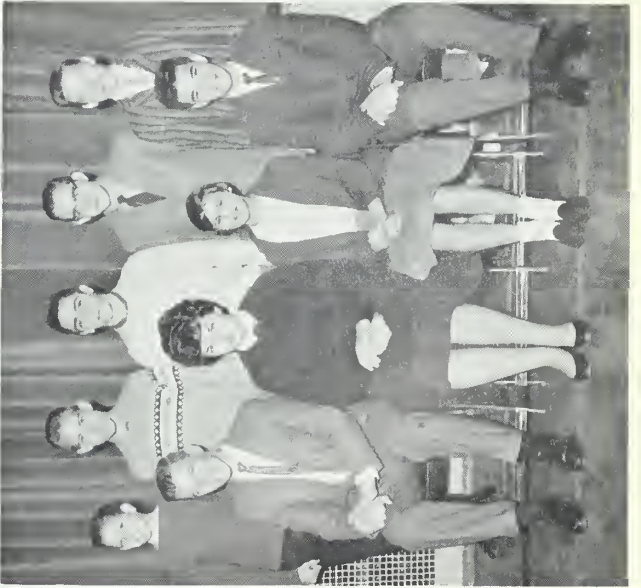

This year's up-and-coming freshman class, noted for its boundless energy and school spirit, has elected the following officers: President, Richard Jones; Vice-President, James Barney; Secretary, Nancy Child; Treasurer, Margaret Shimer; and student council representatives, Cheryl Fargh and Anthony Fucillo.

This will be the third graduating class from the regional school, and it should have, by then, distinguished itself with James Hall on the Math team and Chris James, Richard Moore, Charles Schwartz, William Poehler, Robert Thomas, Jonathan Lamson, Arthur Foote, Robert Poor, and James Barney on the football team; Jack Mazzotti, David Schofield, James Hall, the Cross-Country; and Jack Mazzotti and Lawrence Pelky on the debating team.

The future seems bright with this active freshman class.

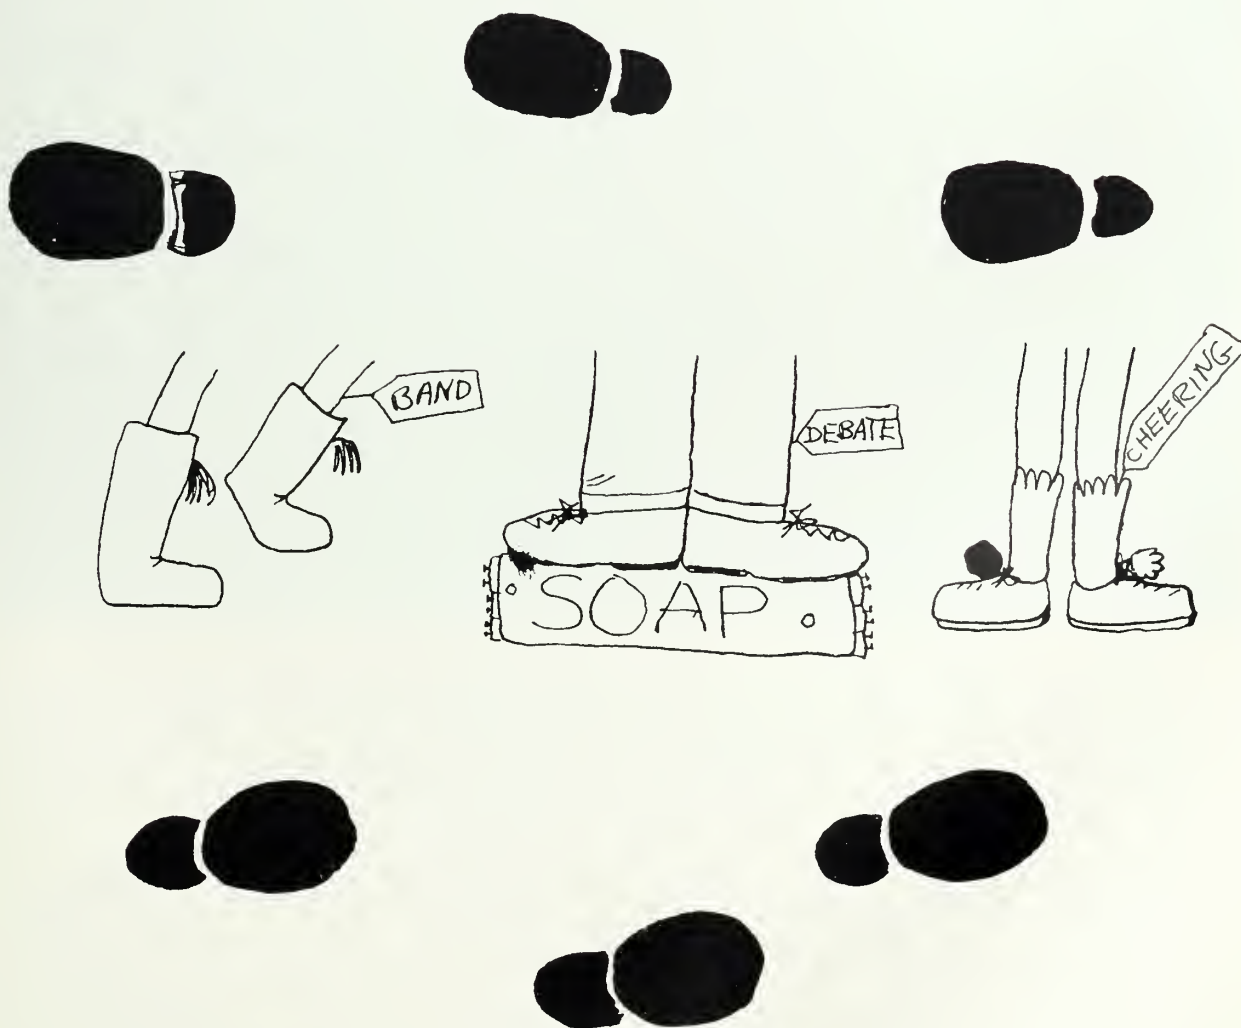

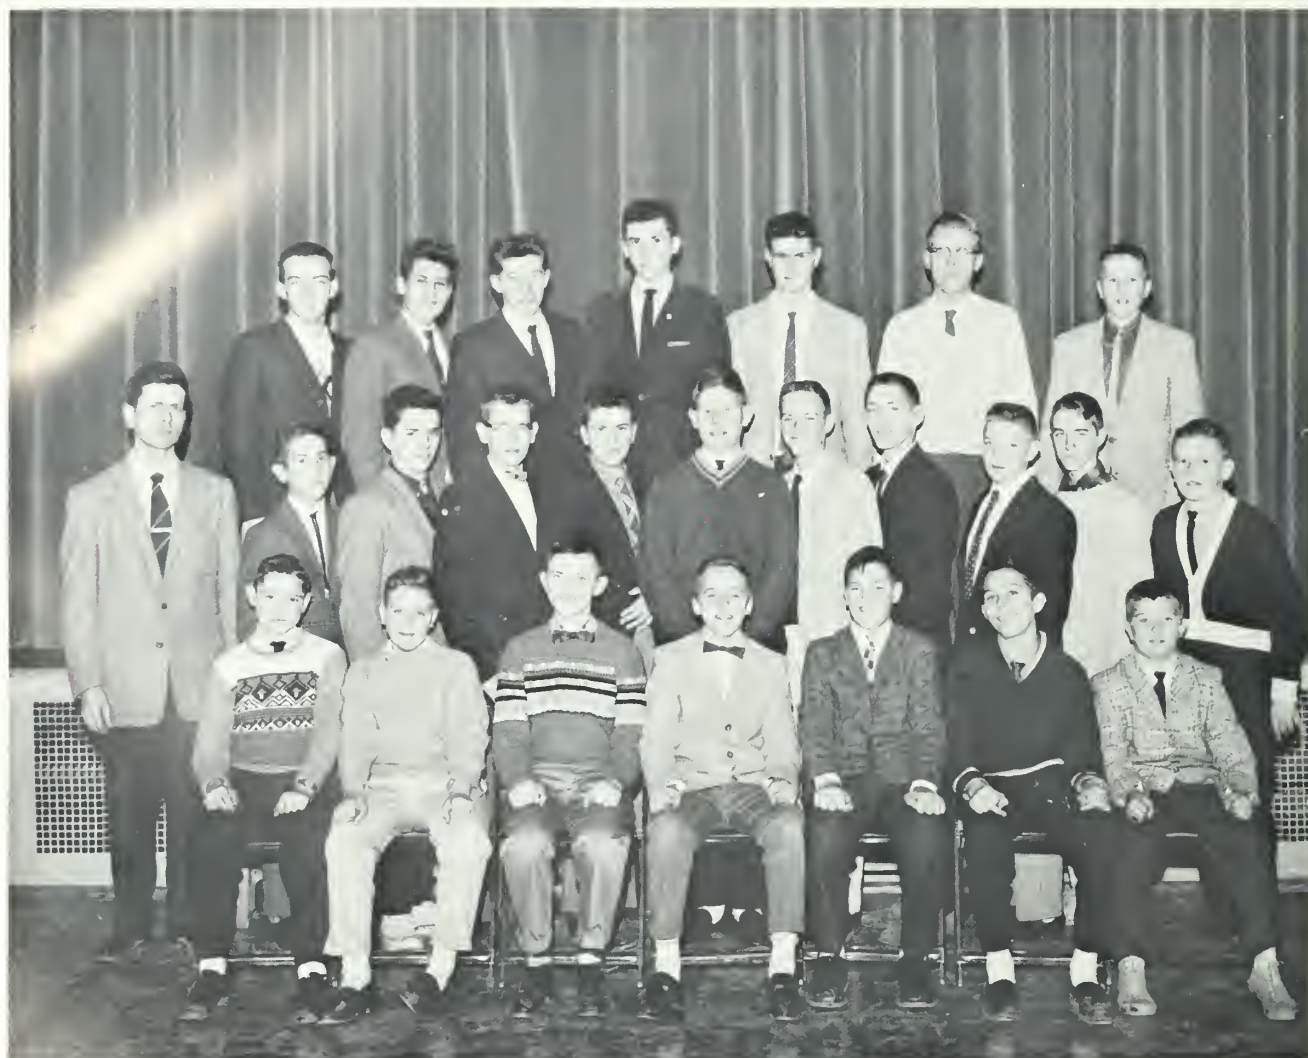

# ACTIVITIES

# Audio-Visual Club

The Audio-Visual Club was formed this year for students who are interested in learning the operation of audio-visual equipment. The club also hopes to make available to the school a fuller audio-visual program through the use of a movie projector, slide projector, opaque projector, tape recorder, stereo phonograph, and Tachistoscope.

# Covered Wagon Staff

This year the school newspaper, "The Covered Wagon", does not consist of a staff, with the usual editor and writers. Instead, there are Co-editors, Bill Barnes, and Jane Rowell. These editors set up the paper by deciding which type of articles they wish to have in the final copy, and then ask students of the high school to write them.

In this way, there is a variety of authors for articles. The staff plans to have three issues, each consisting of articles concerning world affairs, school problems, and humorous topics.

# Debating Club

The Debating Club, now going into its second successful year, is trying to provide its members with opportunities to take part in and observe organized debates. Through debating, the members gain poise and ability to speak publicly and to enjoy the satisfaction of actual participation in debates.

This year has been fairly active with many debate tournaments planned for the season. The leaders of this worth-while organization are as follows: President, William Shimer; Vice-President, William Barnes; Secretary, Joan Pelkey; and Treasurer, Phyllis Schindel.

Good luck and keep speaking!

# Future Teachers Of America

The purpose and goal of the F. T. A. is to further the members' interest in teaching while they aid the faculty and the students of Hamilton High in any way possible.

The F. T. A. does this by having such things as teas, visits to nearby colleges in which the members have shown interest, cake sales, guest speakers to speak to the girls on the many phases of teaching, and observation and student teaching on the elementary level.

Miss McKay is the club's advisor. This year, the officers are: President, Judith Gilbride; Vice-President, Kathleen Barry; Secretary, Gail Leavitt; Treasurer, Nancy Clay; Program Chairman, Ann Gray; and Song Leader, Lynne Forrester.

# Glee Club

The Hamilton High School Girls' Glee Club was organized early in October and numbered around forty-five girls from grades nine to twelve. The group met regularly during Activity Period on Thursdays and after school when special rehearsals were required. The group always plan to keep prepared a repertoire of favorite songs suitable for assembly programs, the most demanding of which are the Christmas Assembly and the Memorial Day Exercises. The Graduation program is the climax of their season. As in former years, they are considering putting on an operetta in the spring with the help of the boys who can sing and are interested in dramatics. Miss Austen sponsors and trains the group.

# International Relations Club

The International Relations Club was established to promote a better understanding of other nations and their people through education on international affairs. The officers of the club are as follows: John Beveridge, Chairman, and Dale Barry, Vice-Chairman.

The plans for the club include a display on foreign policy and the United Nations at the school's annual Science Fair. For the present, the group is making a study of countries currently in the news and their problems.

# Librarians

The librarians are made up of students from grades 9-12. They enable the student body to use the library during school hours. Under the guidance of Miss Austen, the librarians are doing a very worthwhile job.

The members of the library staff are: Barbara Begg, Joan Caraganis, Barbara Chruniak, Carol Colantoni, Jill Colwell, Faith Dudley, Paula Furosh, Betsy Gallers, Helen Gorini, Ann Gray, Gail Hamilton, Linda Hoaglund, Charlotte Hughes, Edith Lavoie, Diane Leach, Marilyn Markle, Judith Perkins, Pamela Pineles, Arlene Rollins, Margaret Shimer, Lynne Stacey, Linda Stone, Susan Walsh, and Dorothy Whitcomb.

# Math Club

Many sports -- basketball, football -- give recognition to the athletically inclined student; the Mathematics Club and Mathematics Team, on the other hand, give this same recognition to the mathematics student. At the same time, the two provide practice in mathematics and experience in a competitive situation, both of which are vital to the student when he enters college.

During the month, the club members practice in certain areas of mathematics. At the end of the month, a team is chosen to compete with the other high schools in our league. The captain of this year's team is John Bannan.

# National Honor Society

The Alexander Hamilton Chapter of the National Honor Society now has four official members with numerous probationary members in the Freshman and Sophomore Classes. The purpose of this Chapter is to bring recognition to the school's top students who are outstanding in character, leadership, and service as well as in scholarship. The Honor Society, under the capable guidance of Mrs. Ferrini, sets an example for the school in those qualities which mark the all-around scholar.

# Student Council

The purpose of the Senior High Student Council is to act as the representative of the entire student body in the school government. The Council has many responsibilities. Among these are the selling of refreshments at the football and basketball games, arranging the school social calendar, sponsoring a semi-formal dance at Christmas, and a special week set aside in the spring known as Student Council Week.

Besides these responsibilities, the Council has also taken up two other projects for this year. For the first time, the Council is going to sponsor a foreign exchange student who will spend next year in Hamilton. This project involves a great deal of work and will take the Council the full year to complete. The second project is the drawing up of a new constitution for the Council of the regional high school.

The officers of the Student Council are: Richard Toomey, President; Kathy Barry, Vice-President; Nancy Clay, Secretary (correspondence); Dorcas Brannum, Secretary (general); and Judy Gilbride, Treasurer.

# Varsity Club

In order to be eligible for membership in the Varsity Club, one must have earned a letter in one of the varsity sports. The members, who are recognized as the outstanding athletes of the school, strive to improve sportsmanship within Hamilton High as well as to promote school spirit.

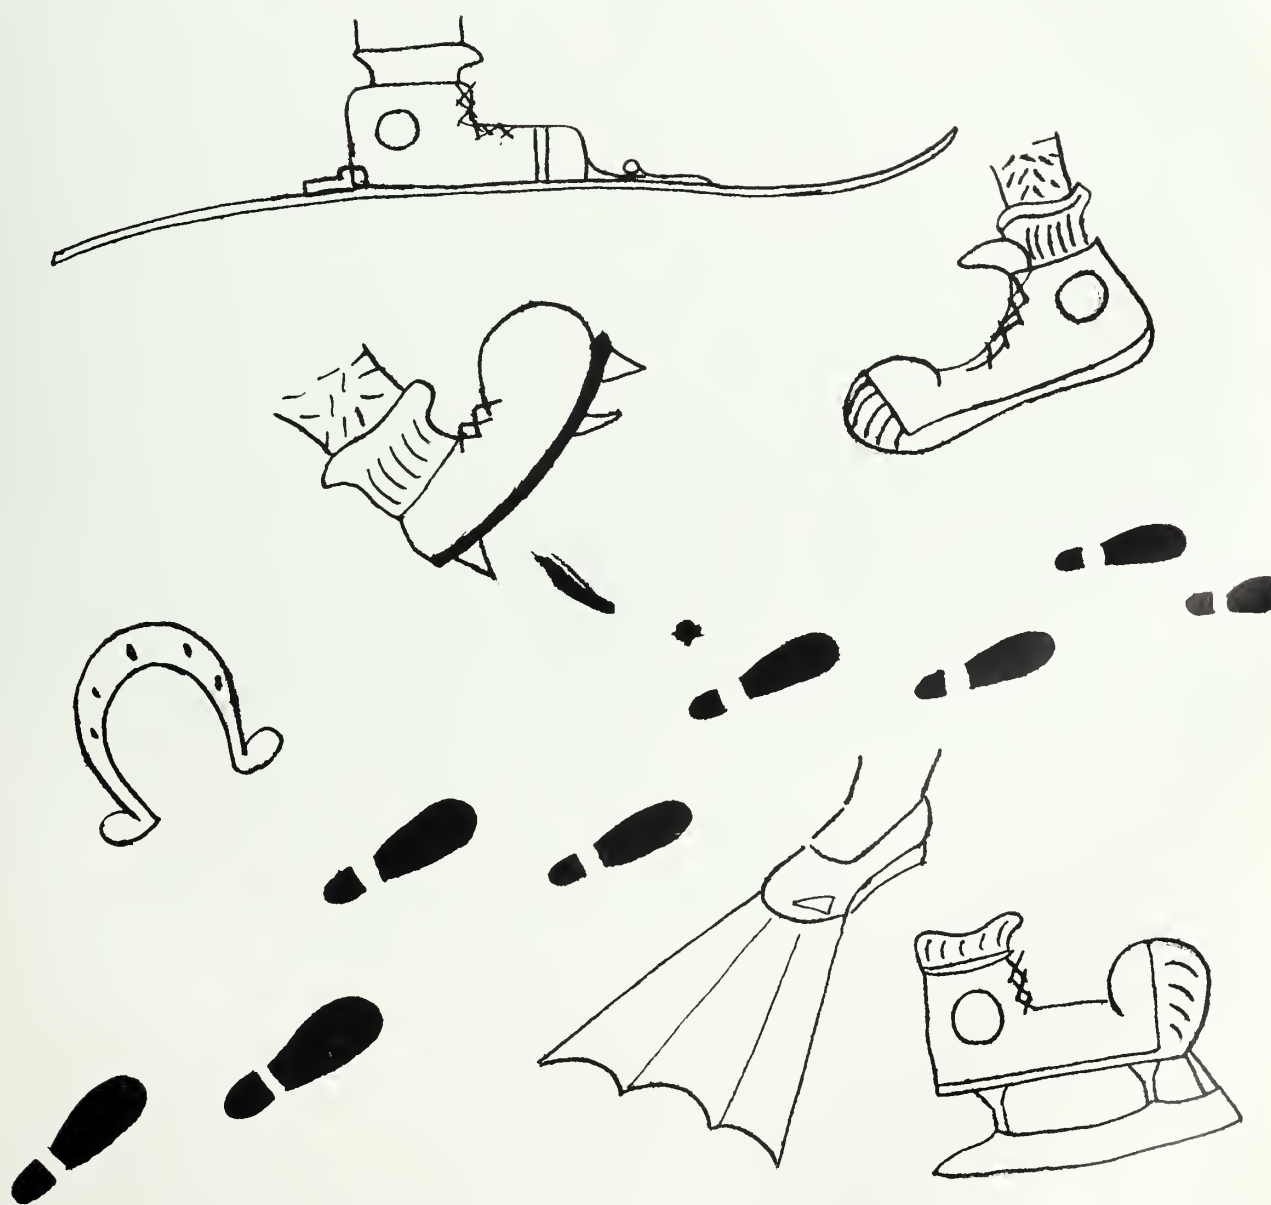

The officers of the Varsity Club are Doug Surpitski, President; Albert Smerczynski, Vice-President; Donald McGinley, Secretary; and John Endicott, Treasurer.

# SPORTS

# Cross Country

First Row: Joseph Boisvert, David Schofield, Jack Mazzotti, Richard Shimer, John Hall.

Second Row: Coach Richard Connolly, David Geikie, David Hursty, John Hall, David Crowell, Robert Brindle.

The Cross Country team for the third consecutive season ran through its schedule of dual meets undefeated. They became the winners of the first Cape Ann League championship, under the coaching of Mr. Connolly.

The question of team work could never be doubted as in each race there was a different Hamilton runner as winner. The only senior was Captain, David Hursty. Next year's team looks very promising.

# Football

First row: Frank Trowt, Larry Bonney, Donald McGinley, Douglas Surpitski, Al Smerczynski, Bill Shimer, Gordon Lamson.

Second row: Bob Moser, Norman Richards, John Nickerson, Philip Webb, Donald Wood, Richard Campbell, Charles Schwartz.

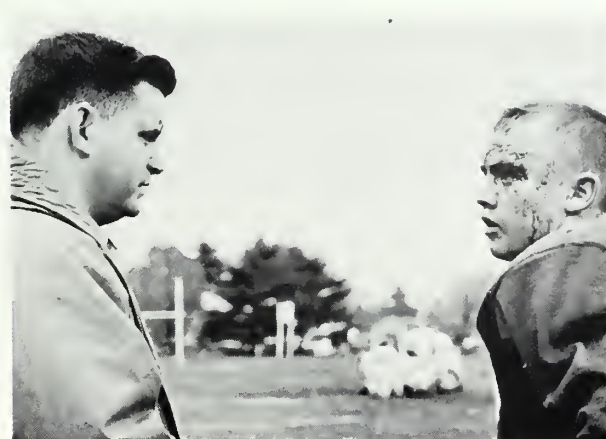

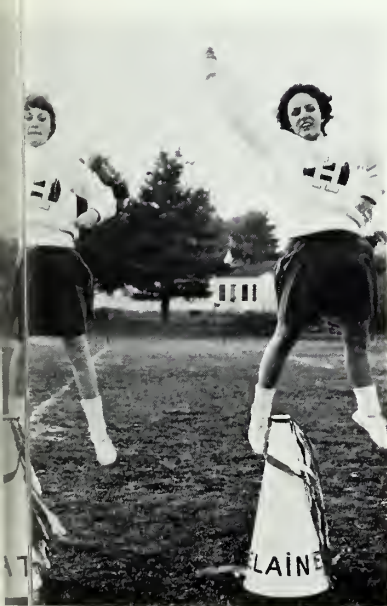

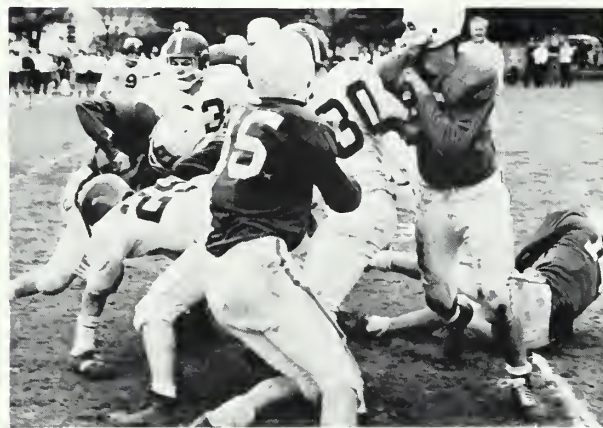

Third row: Coach Neil McLaughlin, Richard Newport, Paul Johnson, John Endicott, Mike Pond, Donald Tweedie, Eddie Samson, Ass't Coach Roger Washburn.

Absent: Managers: Jonathan Lamson, Thomas Mullins

The Hamilton High School Football team improved steadily this year, winning three of its seven games and scoring a total of forty points. The games won were played against Masconomet, Georgetown, and St. John's Prep J. V. Another game worth mentioning - but that is all - is the Manchester game.

The captains of this year's team were Al Smerczynski, Douglas Surpitski and Donald McGinley, and the managers were John Lampson and Tom Mullins. The Head Coach was Mr. Neil McLaughlin, with Mr. Roger Washburn, as assistant.

# Basketball

Row I Paul Johnson, Larry Bonney, Coach Federico, James Decareau  
Row II Arthur Purdy, David Crowell, Danny Ketcham, Richard Wetherbee, Al Smerczynski.

The Varsity Team won a total of seven games, defeating Georgetown, Saint Ann's, Essex Agricultural School, and Ipswich. Four of these boys will be the nucleus of next year's Varsity. With practically a whole new team this year, the boys are to be congratulated for their fighting spirit and their excellent representation of the school.

# Junior Varsity Basketball

Row I: J. Hall, R. Freeman

Row II: R. Shimer, B. Marshall, W. Poehler, R. Mersereau, W. Piotrowski

Row III: R. Thomas, J. Barney, B. Blanchard, R. Campbell, C. Schwartz, N. Richards, L. Pelkey, R. Leach, G. Hemenway, Coach McLaughlin.

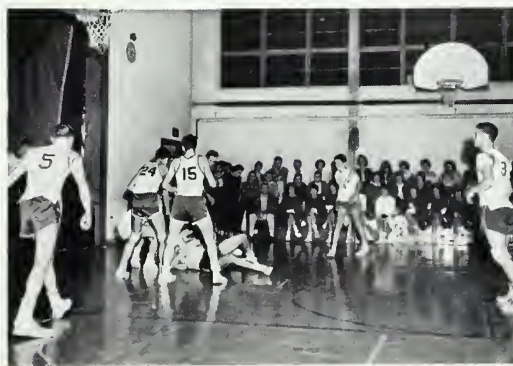

Row IV: F. Fucillo, M. Hursty, B. Anderson, P. Walke, R. Olney.

This year our Junior Varsity basketball team, consisting of over fifteen members, scored a total of ten wins. The teams which they defeated were St. Ann's, Masconomet, Essex Agricultural School, Ipswich, Georgetown, and Rockport. All of these players, without a doubt, will make a tremendous contribution to the Hamilton Varsity Basketball in future years.

# CHEERING SQUAD

## Football

First Row: Captain, Elaine Agganis; Co-Captain, Kathy Barry.  
Second Row: Donna Smerage, Dorcas Brannum, Gail Child, Harryatt Mueller, Charlotte Hughes, Janie Rowlands.

The Football Cheerleaders of 1961 started off very early this season. Organizing at the end of summer, they met three times a week practicing old and new cheers. After the long and tedious practices, they presented the opening rally. The student body reacted very loudly to the cheers and helped promote school spirit.

When the season was almost over, they had a final rally introducing the cheerleaders for the last time in Hamilton High School.

# Varsity Hockey

Standing: J. Surpitski, C. Poor, D. Dobrenchuk, L. Lamson,  
N. Sevigney, G. Leavitt, Coach Kenyon.

Seated: J. Francesco, C. Crocker, C. Thomas, S. Axtell,  
E. Moffett

## VARSITY FIELD HOCKEY

The varsity hockey team, led with a great deal of perseverance and strength by Carolyn Thomas, came out with an almost undefeated season, going down only once to Shore Country Day 3-1, other than a 2-2 tie with Masconomet. The season closed with 4 wins, 1 tie, and 1 loss, the girls defeating Wenham's hard-fighting team twice, Danvers once, and Shore Country Day once.

Sue Axtell, a strong left inner, led the scoring with 6 goals. Carolyn Thomas, a center forward, was right behind her with 4 goals. Top defense players, Joan Surpitski, Donna Dobrenchuk, and Gail Leavitt kept our opponents from many goals. They allowed only 6 goals scored against us, with our forward line pounding out 12 goals against our opponents.

# Girls Varsity Basketball

First row: Marcia Johnson, Carol Perkins, Captain Gail Child, Elaine Agganis, Joan Pelkey.

Second row: Harryatt Mueller, Dorcas Brannum, Carolyn Thomas, Janie Rowlands, Coach Kenyon.

They didn't come out on top, but they played their hardest. Leading the scoring for the varsity was "The Greek", Elaine Agganis, with 86 points. Gail Child and Donna Dobrenchuk followed with 62 and 67 respectively.

Outstanding defense player Harryatt Mueller, and the most improved player, Charlotte Henderson, will lead next year's guard line-up.

Captain Child made a good start and will be a leading forward next season. "Smash" Johnson started as a forward and turned out to be a better guard. Big things are expected next year from "Smash" and from all the girls who put in so much effort.

# Girls Jr. Varsity Basketball

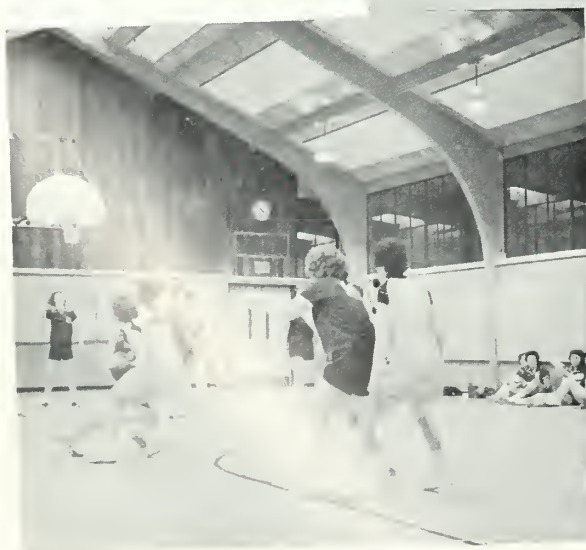

First row: Marilyn Harrigan, Karen Chase, Donna Dobrenchuk, Sue Axtell, Jean Francesco, Polly Eldred.

Second row: Pam Clark, Marilyn Townsend, Nancy Sevigney, Laura Lamson, Debbie Noone, Gail Leavitt, Charlotte Henderson, Ellen Moffett, Coach Kenyon.

The J. V. 's played six games, taking Masconomet and Georgetown, losing to Lynnfield and Ipswich. Both the Varsity and J. V. 's were composed largely of sophomores and juniors, and fortunately only three will be lost from the starting line-up.

The sophomores put in Ellen Moffett, Donna Dobrenchuk, Susan Axtell and Jean Francesco, all of whom are strong contenders for next year's varsity.

# CHEERING SQUAD

## Basketball

Judy Gilbride, Barbara Begg, Jane Rowell, Jill Colwell, Linda Stone, Priscilla Hatfield, Ann Gray, Carol Ciampa.

The basketball cheerleaders had a very successful year. They started off the season by having two cake sales which helped them pay for their new uniforms. Their mascot "Alexander" helped a great deal in bringing out the school's spirit. The girls led cheers for eighteen games and also led a very successful rally.
